

What is Leadership NEXT?

Leadership NEXT is a group of advancing professionals representing a variety of businesses and industries throughout Southwest Florida who are actively pursuing opportunities to develop new knowledge and skills, establish working relationships with colleagues, and engage in valuable programs and discussions to further enhance their careers.

When are the programs?

Leadership NEXT will kick-off its inaugural program on January 12, 2016. Unique and quality programming will continue the second Tuesday of every month from 4:00-6:00 p.m. unless otherwise announced. Meeting locations will change every month based on the program topic.

How much does it cost?

It can't get any better than FREE! From time to time, certain programs may require a nominal registration fee, but most programs will not have a cost to attend. Programs taking place at a venue that serves food or beverages will be at the expense of the guest. Even though your attendance is free, we highly encourage you to register in advance. Some programs have limited capacity.

How do I find out more?

Visit www.FortMyers.org for details and to register for upcoming programs. Be sure to 'Like' and follow Leadership NEXT on Facebook for all the latest announcements and to invite others to join!
